

## ADVT NOTICE

### **Vacancy for Project Scientist in Atmospheric Modelling at Centre for Atmospheric Sciences, IIT Delhi**

**Applications from Indian nationals are invited for the post of Project Scientist (1) for a period of three months only (casual appointment)** under the sponsored research project entitled “Application of Numerical Weather Prediction Models to Identify Probable Sites Suitable for Accumulation of Locust Swarms and Determine their Flying Path (Project No: MI02228)”. The selected person should be fully devoted to the work assigned.

#### **Essential Qualifications:**

M.Sc. / M. Tech. in Atmospheric Sciences, Physics, Maths, Environmental Science / Engg with 1st class or equivalent CGPA.

#### **Desirable Qualifications:**

Experience in Atmospheric Modelling with excellent computational skills.

**Emoluments:** Rs.42,000/- p.m.(consolidated)

The candidates who are interested in applying for the above post should download Form No. IRD/REC-4 from the IRD Website (<http://ird.iitd.ac.in/rec>) of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating the percentage of marks/division, details of work experience, etc. by e-mail with advertisement No. on the subject line at email id: [locust.research@gmail.com](mailto:locust.research@gmail.com)

**Last date of submission: 25 August, 2020 by 05.00 p.m.**

For further details and queries, the potential candidate may write directly to:

Prof. Manju Mohan,  
Centre for Atmospheric Sciences,  
Indian Institute of Technology Delhi
