NOTICE

Advertisement No. PGI/Biochem/2020 13728 FTS-1444 Dated: 24-12-2020

Applications are invited for one post of laboratory technician in ICMR funded research project entitled, "Therapeutic and diagnostic implications of glycosylated proteome profiling in co-pathogenesis of Diabetes and Osteoarthritis". Essential qualification: BSc (MLT) / MSc Biochemistry or Microbiology as a regular course from a recognised University with minimum of 60% marks with one year mandatory experience in molecular biology and protein biochemistry. Upper age limit and remuneration: 28 years (Relaxable in case of SC/OT/OBC/Women candidate as per rules) as on 24.12.2020 and salary of Rs.18000/- p.m + HRA as per ICMR rules.

The interested candidates should submit their application with complete bio-data via post or e-mail: sadhnabiochem@gmail.com by 28.12.2020. Shortlisted candidates will be informed through email and called for online interview on 31.12.2020 at 3:00 pm. The post is purely temporary and the incumbents selected will have no claim for regular appointment under ICMR or in any other project. No TA/DA will be paid for the interview.
