

**DST TIH – AWaDH
Agriculture and Water Technology
Development Hub**

IIT Ropar - Technology & Innovation Foundation

Date: December 27, 2020

ADVERTISEMENT for the position of Technical Assistant

Applications are invited from Indian nationals for the position of a temporary staff to work in DST sponsored Technology Innovation Hub at IIT Ropar in the framework of National Mission on Interdisciplinary Cyber-Physical Systems (NM - ICPS).

Post-1: Technical Assistant

Positions: 1 + 1*

Duration: 3 years. After every 6 months, the progress of the candidate will be reviewed for the extension beyond one year. The position may be extended for a duration of two more years with new objectives.

*if we get another exceptionally good candidate.

Emoluments: Rs. 20,000 + HRA per month (as per GOI norms) with increment as per DST norms. Hostel and mess facilities may be provided on the payment basis, if available.

Essential Qualifications: Three years diploma in Mechanical Engineering or equivalent or higher degree in engineering with experience. Experience in design and development of agriculture equipment is strongly desired.

Desirable: Expertise in CAD tools.

One candidate would be involved in design and development of large agriculture equipment, and the other may work with in the domain on stubble usage products and urban farming systems. Extensive field work is involved.

Last date for applications: **17th January 2021**
